

CHARLOTTE-MECKLENBURG SCHOOLS
AFTER SCHOOL ENRICHMENT PROGRAM

INFORMATION FOR KINDERGARTEN PARENTS

After School Enrichment is a program that gives children from kindergarten through the sixth grade a safe, fun, interesting time from school dismissal until 6:00 p.m. Next fall, our school system will operate after school programs at many elementary schools. Before school care opens at 6:45 a.m. Before school programs are offered at elementary schools with late morning bell schedules. A minimum enrollment of 24 families is needed by August 1st for a program to operate.

If you are interested in having your child belong to an ASEP program in the fall, you may want to visit a site before the end of this school year. To arrange a visit, call the school telephone number at a school with an ASEP site, and ask for the ASEP Site Coordinator.

ASEP has an annual registration charge of \$47.00 per family. Weekly fees for the 2022-2023 school year are listed below. **Fees are subject to increase with the 2023-2024 school year pending Board approval.**

Bell Schedule	Before School-only	After School -only	Before & After School
7:45 - 2:45	\$27 week	\$72 week	\$92.00 week
8:00 - 3:00	\$32 week	\$67 week	\$92.00 week
8:15 - 3:15	\$37 week	\$62 week	\$92.00 week
8:30-3:30	\$42 week	\$57 week	\$92.00 week
8:45 - 3:45	\$47 week	\$52 week	\$92.00 week
9:15 - 4:15	\$57 week	\$42 week	\$92.00 week

Most After School Enrichment Program sites hold licenses from the North Carolina Division of Child Development, allowing families who are eligible for day care assistance through Child Care Resources, Inc. (CCRI) to receive assistance for children in the Charlotte-Mecklenburg Schools ASEP program. Most of our elementary school programs have earned a five-star license rating.

ASEP is open for full days during teacher workdays, early release days which fall within regular weeks of school, and during most days of winter and spring breaks. The ASEP is not open on school system holidays.

Registration for the fall term begins in late spring and is on a space-available, first come, first served basis. Parents are encouraged to register early as some sites will reach enrollment capacity within the first day or two of registration. On-line registration is available at www.cmsk12.org, the CMS website. Check the website for updates. You may contact The After School Enrichment Program central office for additional information at asep@cms.k12.nc.us or call 980-343-5567. **We hope your child can join the fun!**
