

March 10, 2014

Dear Parents,

From March 11-21, 2014, Blythe Elementary School is going to be selling Shamrocks to benefit the Muscular Dystrophy Association in honor of Tyler Allen, a 5th grader who has Duchenne Muscular Dystrophy. The program is called "Shamrocks for a Cure". Students will learn about Duchenne Muscular Dystrophy and have the opportunity to buy a Shamrock for \$1 or to go for the gold and make a donation of \$5 or more. General donations will be accepted as well. All proceeds from this fundraiser will directly benefit the children and adults with muscular dystrophy and other neuromuscular diseases in this area by going to research to find a cure.

This is the 5th year Blythe Elementary has participated in this program and want to make this year our biggest success yet, as Tyler will be graduating on to middle school. With your help we can do just that! Cash and checks will be accepted. Checks can be made payable to MDA. Please submit your donation to your teacher by Friday, March 21st.

More information about MDA and Duchenne Muscular Dystrophy can be found at www.mda.org. Thanks in advance for your support!

Sincerely,

A handwritten signature in black ink, appearing to read 'Lucas Coe', is written in a cursive style.
