Davidson North Carolina

Our goal is to offer our services and support to help enrich the school experience of all exceptional children. Run TOO Overcome is a supporter of PTO-Too which is designed to help meet the needs of all exceptional children and the teachers that serve them. PTO-Too offers parent support and advocacy, exceptional children's fundraising and teacher equipment/materials requests, coordinated testing support, tutoring, and staff development opportunities within the school community. Teachers and parents greatly benefit from this support in fostering relations of trust and open communication to assist each child's unique needs.
