STUDENT SCHEDULES:

Students with scheduling errors are asked to complete the [2023 – 2024 MPHS Schedule Change Request Form](#). The form will completely CLOSE on **Thursday, August 31, at 3:00 PM**. Due to the high volume of entries, the form has been closing each evening.

REMINDER: Students should complete the form ONLY if they are requesting a schedule change for one of the indicated reasons in the drop-down menu. Please DO NOT email the individual counselors or complete the form multiple times. The process of changing schedules has been delayed due to Counselors reviewing emails and/or reviewing multiple entries for the same request. We appreciate your patience and support with this process!

BELL SCHEDULES, RESOURCES, & TRANSPORTATION:

During the first five days of school, we will follow an [Opening of School Bell Schedule](#). Homerooms will be extended each day to allow us to share important information with students. Chromebooks will be distributed to students that do not have a previously issued device.

On **Tuesday, September 5**, we will begin following our [Regular Bell Schedule](#).

- [A/B Day Calendar](#)
- [Academic Calendar](#)
- [Campus Map with Parking Guidelines](#)
- [Technology Resources \(NCEDCloud, PowerSchool, Canvas, Chromebooks\)](#)

New this year, CMS LaunchPad is required to access all learning and technology resources. Teachers and staff will be prepared to assist students with the setting up of their usernames and passwords within the first week of school. If your child currently has a CMS device and would like to get a head start logging into the LaunchPad, follow [these instructions](#). A [step-by-step tutorial](#) is also available to families.

SAVE THE DATE:

The counseling department will host our annual senior assembly and welcome all seniors and their parents! Seniors with last names A-L should attend on **Tuesday September 12**. Seniors with last names M-Z should attend on **Wednesday September 13**. If you are unable to attend on your designated night, please join us on the alternate day. Counselors will cover the college application process, common application, Naviance, testing, teacher recommendations, college essays, and future events geared towards post-secondary options. Reminder: Updated transcripts/class rank for college applications will be available **after the 15th day of school**.

AP/IB EXAMS:

As IB/AP students prepare for the 2023-2024 school year, we want to make sure that they check the final April/May 2023 exam schedule. Students taking IB courses are NOT permitted to take a make-up IB exam. IB make-up exams are not offered by IBO. Students taking an AP exam are permitted ONE make-up session. If you are taking multiple IB and/or AP exams, please review [the schedule](#) carefully and make sure that you do NOT have multiple testing conflicts. Only students with medical documentation and state competition conflicts will be permitted to request a 3rd AP exam session. In some cases, the student must pay a fee prior to requesting a make-up AP session (session 2 and 3). If you have questions regarding IB testing, then please contact [Katie Willett](#), IB Coordinator. If you have questions regarding AP testing, please contact [Allyson Davis](#), Assistant Principal of Instruction. If you have multiple conflicts with testing, then please complete the [2023 – 2024 MPHS Schedule Change Request Form](#). Please NOTE – Each student enrolled in an IB or AP course MUST take the IB or AP exam for the course during April/May 2024 testing. If the student does NOT take the exam, then the student MUST take a teacher-made exam that will count 20% of the final grade in the course.

If you have any questions, please email [Allyson Davis](#), Assistant Principal of Instruction.

Thank you and we hope that you are having a wonderful summer!
