

Park Road Montessori **AFTERNOON** Carpool Traffic Guidelines

In an effort to show grace and courtesy to our school community and to keep our students safe, we ask that you please adhere to the following guidelines.

1. During carpool hours, Haven Dr. will become one way for PRM families and staff from Reece Rd. (south) to Hillside (north). You must **ENTER** our campus from Reece Rd. and exit via Hillside Dr. To **EXIT** carpool, please **turn RIGHT back onto Haven Dr. NO LEFT TURNS.**
2. Enter carpool by accessing Reece Road from Park Road, **drive all the way to the end of Reece, and make a U-turn at the bottom of the hill to get in line.**
3. **Do not join the line through the back of Park Road Shopping Center.** The shopping center is private property and they will not allow us to use their parking lot as a cut through to carpool.
4. **The turn-around point is not at Arbor Lane. Proceed to the bottom of Reece to turn around. The Kimberly condominium building is not a turnaround for our carpool.**
5. Be respectful of our neighbors and **avoid blocking driveways.**
6. Have your child / children's **name printed clearly and in bold large print on a sign.** Be sure to hold it visibly for our carpool facilitators.
7. Be respectful of the others in line. (**No cutting or passing**, pay attention to when the line is moving, and be ready to pull forward).
8. **Adults should not exit the vehicle** during carpool. Children load on the passenger side so please adjust the setup of our vehicle accordingly. You must pull away from the line if you need to buckle your child.
9. **Always give our buses the right of way.**

If you want to avoid the carpool line, please sign your child up for a bus by visiting <https://www.cmsk12.org/buses>.

Stay focused and refrain from using your mobile phone during pick-up and drop-off exchanges.
