

Parent Commitment

I have chosen this special magnet program, Park Road Montessori, for my child knowing that parent involvement and support are essential elements of my child's success. Therefore, I agree to and pledge my commitment to:

- Ensure my child arrives at school on time, rested, and healthy every day.
- Ensure my child remains at school the whole day. Outside school appointments will be made before or after school as feasible. Extracurricular activities will be scheduled after dismissal time of 4:15 pm.
- Schedule family vacations and visits when school is not in session.
- Attend parent education meetings to learn how I can help my child succeed at school by learning about the Montessori philosophy.
- Attend parent/teacher conferences to learn about my child's progress and how I can help.
- Turn off my cell phone when entering the school as one way to show I respect the school's peaceful environment.
- Read with my child every night.
- Promote independence in my child with self-care, academics, concentration, freedom with responsibility, and hard work.
- Check my child's book bag each day for school correspondence and sign and return all paperwork promptly.
- Read and respond promptly to all information received from the school (school emails, teacher emails, written notes, Parent Square messages, PTO weekly ebulletin, etc.).
- Read the Park Road Montessori Family Handbook (<https://bit.ly/prmhandbook>), discuss with my child, and adhere to its contents.
