### **2018-2019 East Mecklenburg Parking Rules, Regulations and Consequences**

CMS Policy #ECE: Parking is a privilege granted by the school administration.

**Please read the following rules and regulations and sign the front and back of this form to indicate that you understand and agree to follow these guidelines:**

1. Parking space tags are NON-TRANSFERABLE. Tags may not be given or sold to any other student. Students who have not purchased a parking place are not permitted to park on campus and will have their vehicle towed or booted.
2. Parking space tags are NON-REFUNDABLE. Once you pay for your tag you may not receive the money back.
3. A student must park in the space that corresponds to the tag that he/she is assigned. Students are not permitted to pull through or back into spaces. If you park in a spot not assigned to you, pull through or back into spaces, this will result in a parking ticket or the booting of your vehicle. If someone else is parked in your designated parking spot, come to 639 to fill out a form about where you are parked. If you do not fill out this form you will receive a parking ticket or get booted.
4. Parking tags must hang from your rearview mirror, with your number facing outwards at all times that you are parked in your assigned space. If you fail to have a visible tag, this will result in a parking ticket or the booting of your vehicle.
5. Reckless driving, as well as the playing of loud or vulgar music while on East Mecklenburg property is prohibited and may result in loss of parking privileges.
6. Parking in a visitors spot is limited to visitors only. At any point that it is brought to the attention of the administration that someone who is not a visitor is parked in a spot, they are susceptible to being booted or towed.
7. Any infraction of the Student Code of Conduct could result in a loss of parking privileges.
8. In the event that somebody else parks in your assigned space, you should park beside the fence next to the softball field and immediately report the incident to Ms. K. Thompson (room 639). DO NOT park in another student's parking space.
9. Students owing any fines to East Mecklenburg High School will NOT be eligible to purchase a parking tag until all fines are paid.
- 10. If you are driving a different car than the one you previously registered, transfer the tag to the car and fill out a substitute car form prior to 7:10 in room 639. Failure to do so may result in a parking ticket or the booting of your vehicle.**

#### **Infraction of the above rules and regulations may result in the following:**

- **Warning-** *this will be documented and if another infraction occurs, fines and/or booting will be applied*
- **\$5-\$15 fine-** *Depending upon the severity of the infraction. Parking fines must be paid within 10 days of ticketed date to Ms. K Thompson in room 639 during all lunches on A-days. If ticket is not paid, parking privileges will be lost for 30 days and parking on campus will result in booting of car.*
- **Boot-** *A car will be booted if fines are not applicable, for example no spot was purchased. Additionally, vehicles will be booted if fines are not paid within the specified times period or if students have already received a warning, \$5, \$10 and \$15 fine. **Boot can be removed for \$25, paid in cash only directly to Ms. K. Thompson in room 639, immediately after school.***
- **Towing of vehicle and loss of parking privilege-** *Vehicles will be towed from the East Mecklenburg campus and parking privileges will be lost for the remainder of the 2018-2019 school year, if all other punishments have been exhausted or if boot remains on the car longer than 2 days.*
