Welcome to Kindergarten Orientation for our 2015-2016 students! We have a very active PTO at Elon Park - there will be lots of opportunities for you to volunteer if you wish to do so.

We have five PTO membership meetings a year combined with a Principal Coffee Chat on Friday mornings. We have one evening PTO membership meeting that coincides with our Fall Book Fair Thursday evening hours in October. During these meetings, we review the budget, plans for upcoming events and hear from Mr. Fortuna about important school items.

The PTO sponsors fun events throughout the year such as Book Fairs, Dances, Field Day and Bingo Night. Through our primary fundraiser, the FunRun, in early October, we support technology purchases, teacher support items (such as classroom books and supplies), school improvements (new playground) and also help provide staff appreciation events. We send out a weekly email and maintain a Facebook page and website to keep our families informed of school events. Visit our website http://elonparkpto.weebly.com to subscribe to the weekly email and like us on Facebook at https:// www.facebook.com/ElonParkPta.

You will receive information regarding PTO membership and available volunteer opportunities at the beginning of the year. Heading into the 2015-2016 school year we have the following PTO Committee Lead positions available. Please contact Amy Gramaglia (pgramaglia@carolina.rr.com) or Kelly Ludwick (kellyduggan@yahoo.com) if you would like to learn more about a specific position.

President Elect
