

Connect Ed Announcement- Week of April 29th

Good evening, Garinger families. This is principal Sharon Bracey with your weekly updates. This week kicks off an exciting time for our graduating seniors as we celebrate senior week at Garinger. A full week of events are planned to celebrate our seniors and to recognize the college and career plans beyond Garinger. Please check out the Garinger HS homepage or follow us on the Garinger HS Instagram @ghswildcats for more information.

This week, as we begin preparing for end of year exams, we will collect student assigned Chromebooks in 3rd block classes. Students should return their Chromebooks and chargers to their 3rd block teachers between April 29 and May 3. Although students will turn in individual Chromebooks, teachers will still have access to class sets of Chromebooks for instructional purposes until the end of the year.

On Thursday, May 2, we will host a Post-Secondary Options fair for our junior and senior English Language Learners at Garinger. If your student is an EL student who wants more information on planning for college and career opportunities after high school, make sure they attend this workshop on Thursday. As a reminder, Mr. Reyes is our fulltime UNC college advisor at Garinger and is available to support all students. See him during the lunches for more information.

On Friday, May 3 @ 8:00 AM, Garinger will kick off a series of meet and greet opportunities for me to engage with Garinger parents. Please sign in in the main office and you will be escorted to the media center. I look forward to meeting with you.

Lastly, as a reminder, as the spring season comes into full bloom, parents please help us by making sure students arrive on time for school in school appropriate dress code. Once on campus, students must remain on campus until 2:15 PM unless signed out by a parent in the attendance office and may not receive outside food deliveries during the school day.
