We will not cheat. Cheating is defined as giving or receiving unauthorized assistance on any graded work. Cheating includes, but is not limited to: plagiarism, copying another's work, having a cell phone or another electronic device visible during a graded assessment, and use of cheat sheets.

We will not lie. Lying is defined as leading others to false conclusions by word or deed. Honesty is required of all students in and out of the classroom regardless of circumstance.

Myers Park Cell Phone Use Policy

Use during class: Devices are to be put on silent (NOT vibrate) and completely put away **BEFORE** entering the classroom. Unless given explicit permission by a teacher for a specific activity, devices should not be out or in use during class time. This restriction includes any time a student is not physically in the classroom during class (going to the bathroom, etc).

Use on campus before school, after school, between classes and at lunch: Students may use devices for texting, but not talking. Listening to music **WITH** headphones is allowed. Talking on cell phones is reserved for emergencies and requires adult permission. Students are **NOT** to use, view or otherwise access any unapproved social media at any time while on campus.

Students who break the cell phone policy during class time are subject to confiscation of the device and/or removal from class. No warning is required for these consequences. Students who are repetitive/frequent offenders are subject to being banned from having a device at school. No teacher, administrator, nor the school nor school system shall be held liable for any loss or damage to any device confiscated from a student due to inappropriate use.
