Class of 2022
Registration Planning Sheet

- All rising 9th grade students must register for English, Math, Science, Social Studies, and Health/PE. (Health/PE is a graduation requirement.)
- Students will have the option to double up on math or science courses based on EOG scores.
- A/B day courses are year-long and meet every other day. In order for students to enroll in an A/B day course they must pick two A/B day courses.

| English          | □ Honors English I (+)  
|                  | □ Honors English II (+)  
|                  | (Honors English II is only for students who passed English I in middle school.) |
| Math             | □ Honors NC Math 1 (+)  
|                  | □ Honors NC Math 2 (+)  
|                  | □ Honors NC Math 3 (+)  |

| Counselor Reviewed: | Date: ___________ Initials: ________ |
We recommend that you communicate with your child’s teachers and/or counselor when selecting courses for the 2018-2019 school year. Consider courses that will provide your child a **challenging and successful** educational experience. Students who score below the 50th percentile on EOG/EOC tests and NC Final Exams may be subject to administrative schedule changes for academic reasons.

**Students will declare their Academy (Health Sciences, Information Technology, or Engineering) at the end of their freshman year. During the school year students will participate in Academy events to learn about Academies and express their interests. An in house lottery will be conducted to assign students to their Academy.**
