

Date: July 2018

Important Opening of School Information:

- Students who are enrolled in CMS **by August 1st**, have registered for transportation services, and are eligible for transportation, should have a stop for the first day of school, Monday, August 27<sup>th</sup>. **(Registered means the student has been entered in PowerSchool and/or an alternate stop has been submitted in EveryInfo by 6:00 PM on August 1st.)**
- Students who have moved, had their new address recorded in PowerSchool between **August 2<sup>nd</sup> and August 23<sup>rd</sup>**, and are eligible for transportation should have their stop in place for the **afternoon** bus ride Tuesday, **August 28<sup>th</sup>**. This includes new students enrolled within the dates above. (Priority is given to eligible students requesting service to and from home to school, it may take several weeks to process alternate stops/daycare stops at the beginning of the school year).
- Students who have moved, had their new address recorded in PowerSchool between **August 24<sup>th</sup> and August 28<sup>th</sup>**, and are eligible for transportation should have their stop in place for the **afternoon** bus ride on Thursday, **August 30<sup>th</sup>**. This includes new students enrolled within the dates above. (Priority is given to eligible students requesting service to and from home to school, it may take several weeks to process alternate stops/daycare stops at the beginning of the school year).
- Students who have moved, had their new address recorded in PowerSchool between **August 29<sup>th</sup> and August 30<sup>th</sup>**, and are eligible for transportation should have their stop in place for the **afternoon** bus ride on Tuesday, **September 4<sup>th</sup>**. This includes new students enrolled within the dates above. (Priority is given to eligible students requesting service to and from home to school, it may take several weeks to process alternate stops/daycare stops at the beginning of the school year).
- Students who have moved, had their new address recorded in PowerSchool on **September 1<sup>st</sup> or later**, and are eligible for transportation will have their bus stop **set by the Transportation Area office through the EveryInfo program**. Schools, transportation offices, and call center staff can access the start dates using the EveryInfo program.
