

# Online Classes via NCVPS or Edgenuity

## ➤ North Carolina Virtual Public Schools Online Classes (NCVPS)

- This is an online learning option for high school credit that requires self-discipline, strong reading and writing skills, and motivation to monitor your own progress. Students can take these classes during the school year during the regular school day, or at home during the summer.

- Consider online classes when:
  - **1)** You want to take a class that isn't offered at POB
  - **2)** You want to retake a course you failed
  - **3)** You are a senior on track for graduation who wants Early release from Berry ( this class will take place of your face to face Berry elective)

# Online Classes via NCVPS or Edgenuity

- Fill out the user agreement and return to guidance within 1-2 days.
- You have not officially chosen the online course until you return your user agreement, signed by a parent.
- If we do not receive the user agreement back, we will use one of your **alternates**, so choose wisely!
- We cannot guarantee which period you will have the course and you may have to take it in the learning lab
- A catalog to NCVPS and Edgenuity courses can be found via the student services web page.

## College classes via Career College Promise Program for juniors & seniors

- Career college Promise- CCP is NC's dual enrollment program that allows eligible NC high school students to enroll in College Classes at NC community college ( CACC for Cardinals) and covers tuition. Students Earn college Credit and High school Credit. CCP courses can be taken by juniors and seniors on track for graduation instead of Berry electives.
- CCP students can leave Berry early to take their CCP courses
- Over 65 Berry juniors and seniors took over 235 college classes via the Career college promise program in the school year 2017/18 alone.
- **DON'T MISS THIS OPPORTUNITY IF YOU QUALIFY!**

# CCP Eligibility

- Students must: Have a 3.0 GPA or higher, have strong self-discipline, **meet testing benchmarks where needed**, and have their own transportation if they are planning to take face to face CPCC classes.
- In addition, Consider these clues to your potential before considering college classes:
  - Are you a strong student with good work ethic?
  - Are you matured to sit among other college students and handle your own academic affairs?
  - Are you willing to do more than the minimum amount of work required?
  - Are you good with time management and can you handle two different academic calendars of CMS & CPCC?
  - Do you look for challenges outside of class & are you always prepared?

## Career and College Promise

[www.cpcc.edu](http://www.cpcc.edu) search “career college promise”

- Students can chose to enroll in one program of study from below.
- **College Transfer Pathway Classes:** This program allows juniors and seniors who meet testing benchmarks to take classes for high school credit **as well as college credit ( Guaranteed to transfer to most 4 year NC universities and many others)**. These classes are offered online or face to face at CPCC. **College Transfer** CCP classes come in to your high school GPA the same weight as an AP class – 1 quality point added.
- **Career Technical Education Classes:** For students interested in Technical certifications and careers. The courses they will encounter within a CTE pathway are aligned closely with the demands for skills in that industry. Over 55 CTE pathways offered including many Engineering, IT and Health Science options. Most classes are offered at CPCC and some are offered online. CTE classes are not guaranteed to transfer to a 4 year college & come in to your high school GPA the same weight as a regular course. NO quality points added.

- You will hear about the next steps to complete for CCP application and get a CCP user agreement in your email from Ms. Patel . She will hold an advisement meeting in March/April for all students who return the user agreement to give you more information about CPCC classes
- It is a PROCESS to register for these classes:
  - You can not officially be a CCP student and chose a CCP course until you complete a user agreement, attend an advisement meeting and meet testing benchmarks.
- If it is an online CCP course, we cannot guarantee which period you will have the course and you will take it in the lab in career center

- ▶ Info about the application steps, requirement, deadlines and testing Benchmark can be found on Ms. Patel's website:

[cdcpob.weebly.com/cpcc](http://cdcpob.weebly.com/cpcc)

- ▶ You will select your classes very soon. Think about what classes you want now and come prepared to make your decisions. And as usual always check your student email for follow up and opportunities!
