

First Grade Remote Schedule/Family View

8:15 – 9:00
Morning Meeting/CSC

- **School begins! Your child should be up, dressed, logged in and in their learning space.** The entire class will meet live via a videoconferencing platform, like Zoom.
- Morning Meeting/Social and Emotional Learning using the Caring School Curriculum (“CSC”).
- Teachers will also use this time to provide information to students about rotation assignments for ELA and Math and give reminders of which Special Area class to join.

9:00 – 9:20
EL Reading Lesson

- Teachers will review EL Reading Module work with students assigned the previous day.
- The entire class will meet live via a videoconferencing platform, like Zoom.

9:20 – 11:00
EL Reading Rotations

- During this block of time in small groups students will rotate working directly with their teacher, independently watch EL reading module lessons, independently complete skills block assignments, and work independently in their reading workbooks.
- Students will participate in five different rotations consisting of small group with the teacher, video module lessons, skills block video lessons, working independently in the student workbooks, and specialized services (EC, ESL, etc...) if applicable.
- Students will receive rotation assignments and times each morning during the morning meeting.

11:00 – 11:20
Envision Math

- Teachers will review the previous day Envision module lesson with students.
- The entire class will meet live via a videoconferencing platform, like Zoom.

11:20 – 12:00
Work Time

- During this block of time students will independently complete assignments in any subject area.
- Teachers are available during this time to assist students with their assignments.
- Students may receive remediation/enrichment during this block of time.
- Specialized services (EC, ESL, etc...) can happen during this time.

12:00 – 1:00
Lunch & Recess

- Students will eat lunch on their own & participate in recess time (let’s get moving!).
- Teachers will also take their lunch breaks during this time.
- Students from all grades will have the same lunch and recess times!

1:00 – 1:45
Math Rotations

- During this block of time students will rotate working directly with their teacher in a small group, independently watch Envision module lessons, and independently complete workbook assignments.
- Students will receive rotation and times each morning.

First Grade Remote Schedule/Family View

1:45 – 2:30
Specials

- Special Area Classes will be online for each class.
- Teachers will remind students first thing in the morning which special area they will have.

2:30 – 3:15
Math Rotations &
Science/SS

- During this block of time students will rotate working directly with their teacher in a small group, independently watch Envision module lessons, and independently complete workbook assignments.
- Students will receive rotation and times each morning.
- Students will complete science and social studies work independently in CANVAS.
- The entire class *may* meet live via a videoconferencing platform, like Zoom.
- Teachers will explain to students first thing in the morning which course they will work on daily.
