

CMS Reopening Plans for
Fall 2020

CLEAR CREEK ELEMENTARY

Plan B Plus

- Remote I want my child to attend school in person when allowed by the Board of Education
- After the in-person two week orientation period, all instruction will be remote until a decision is made to return in-person.
- You will receive information about your student's assigned orientation days in early August.
- No Action is needed

What are my options?

Full Remote Academy

- I want my child to stay at home full time to continue remote learning through first semester.
- The Full Remote Academy registration link is available on the CMS main page or at bit.ly/CPFULLRemote.
- A decision to return to in-person learning by the school district would not affect these students.
- You must register by July 26th.

If your family needs additional information to make an informed decision, please visit the following CMS sites for more information:

● [CMS Full Remote](#)

● [CMS Approves Opening for 20-21 school year](#)

The CMS Call Center will be prepared to field questions, concerns. The phone number is (980) 343-3001. Please make sure that your phone number and address are up-to-date so that you continue to receive information this fall.
