Frequently Asked Questions

<p>When do my children attend school?</p>	<p>All students enrolled in Plan B+ will be assigned a 3 or 4 day Orientation.</p> <p>Group A attends 8/17 - 8/19 Group B attends 8/20 - 8/25 Group C attends 8/26-8/28</p> <p>Full remote learning begins 8/31. It will continue until the CMS Board of Education has determined we can safely be back in school. We will mail out what your assigned group/days are in early August.</p>
<p>What is the purpose of the orientation days?</p>	<p>These days serve multiple important purposes:</p> <ul style="list-style-type: none">• Your child and their teacher will begin building relationships!• Your child's teacher will teach them how to best use their device and how to learn online.• This time will prepare your student for when we can (hopefully) return to in-person learning
<p>What if I only want my child to have remote learning?</p>	<p>Parents can choose to have their child attend the CMS Remote Academy starting the first day of school. This choice keeps your child engaged in fully remote learning until the end of the first semester (Dec. 21). They will still be a Clear Creek student taught by certified teachers however, their remote learning teacher may not be a Clear Creek staff member. Unlike the B+ plan, if the CMS Board of Education sends students back to school, your child continues remote learning through Dec. 21. You can then opt to return to an alternate plan if you choose.</p>
<p>Will my child be required to wear a mask?</p>	<p>At this time, the Governor has mandated masks for all staff and students in school and on the bus.</p>

Will my child get a device/technology?	Yes! CMS is purchasing iPads for our K-2 students. There are some Clear Creek students in grades 2-5 who have already been provided with a Chromebook. We will send further information about signing out devices in August.
Will my child need to bring their device to their orientation days?	Yes! We will teach them how to use it for online learning, reading books online, and more.
What procedures will be in place to screen staff and students for when they come into the building those first two weeks?	We will have staff providing screenings for each student coming into the building to include taking their temperature with a no-contact thermometer. We will also screen staff prior to them entering the building daily.
Will visitors be allowed into the building?	No, we want to limit exposure so there will be no visitors. We will provide curbside service as needed; you will pull up, call the school, and we will come assist you. More information will be available soon!
Will I be able to walk in my Pre-kindergarten or kindergarten student to their class on the first day of school?	No, we will be limiting all visitors.
Are you revising procedures for school, bus, etc.?	Yes! We are updating these procedures to ensure we are keeping all students and staff as safe as possible,
How can I help?	Please keep your child home if they exhibit any symptoms, such as fever, chills, coughing, or difficulty breathing. We will send home the full list soon.
