

## Meal Bundles available during Remote Learning

### What is in a Meal Bundle?

Each meal bundle contains 5 breakfasts and 5 lunches, which meet USDA nutritional requirements for school meals. Heating instructions and a nutritional information sheet with allergens is included in each bundle.

### How to Order a Meal Bundle

Receiving your meal bundle is easy! Parents may use their existing PayPAMS account. If you do not have an account, download the PayPAMS app or go to PayPAMS.com to create one. Meal bundles will be made available by pre-order only.

### Meal Bundle Pick-up/Delivery

Time and day will be according to group assignment and/or CMS bus stop. Pick-up will be from 10:30 am-12:30 pm on your assigned group day.

### Cost of a Meal Bundle

Meal bundle will be charged to your school meal account based on your current meal status. If you attend a CEP school or qualify for free or reduced lunch, the bundle will be free. If you do not qualify for meal benefits, the cost will be \$15 per meal bundle.

### When to Pre-Order Meal Bundle

Parents need to place an order 2 weeks in advance for delivery to your CMS bus stop or 1 week in advance for pick-up at your designated pick-up school location.

### Other Information

Students DO NOT need to be present for pick-up. Name and student ID number must be provided to receive meal bundle.
