

Davidson K-8 Booster Club *Meeting Minutes*

June 22, 2020

I. Call to Order

Brian Mobley, President, called to order the regular meeting of the Davidson K-8 Booster Club Board meeting at 6:40 pm EST on Monday, June 22. This in person meeting was hosted on The Green.

II. Roll Call

Brian Mobley, President conducted a roll call. The following persons were present: Brian Mobley, Kim Vinson, Brandyn Michalak, Lee Catchpole, Elliott Love and Alexis Burnett

III. Approval of Minutes

Minutes from prior meeting were approved by Brian Mobley.

IV. General Update / New Business - Brian Mobley

Initial Funding: \$3000 in funding loan from PTO. Account open and running.

Utility Shed Update: Considering a shipping container, 40" x 8" x 8.5", \$3200.

Delivered on site and setup for us. Tan and grey options available which could be branded and would be extremely durable. Must use some type of foundation to keep it off the ground. Can be turned around within 24 hours.

Brick Fundraiser Update: Brian found a company that did the same project at Grand Oak in Huntersville. He has been doing some background work on the company. We would need to find a hardscape company to take out the walkway in the carpool line (or possibly another area in front of school) and possibly install the bricks there. Company is lined up to do it. Must align with Chuck and get approval from CMS (property manager) for this type of change to property at school.

Hough High School Visit: During visit, we saw storage containers which they also utilize. Could be used for a locker room as well if a fan were to be installed. These look really nice with the branding and graphics.

Booster Club Website: Mike Butler is working on initial shell. Brian is adding Kim and Alexis as admins to review the shell and to begin working on content. Lee will do a monthly newsletter in this section. Brian and Joe to setup email address via Google.

Davidson K-8 Administration Update: Brian met with Chuck and are aligned on next steps.

V. Spirit Wear Update - Brandyn

General update and next steps from Brandyn. We are going to use Freeman for apparel and Metrolina Graphics for accessories and other items. Reviewed document that Brandyn sent to the group. Open site for 2-3 weeks, fulfill the orders and shut down. Then open up again and fulfill orders. Do not leave it open all the time, because it becomes a logistical nightmare. Hats, 50/50 shirts short and long sleeve, Nike polos, hoodies, draw string bags, mugs, water bottles. ½ zip. Add keychain and magnets. Coaches have unique polos only for their staff. Two-week turnaround for orders.

VI. Fundraising – Cam Puckett

Cam and Jeremy were not able to make the meeting and we did not have a fundraising update. Brian will follow-up to see if they can share their presentation with the group.

VII. Open Discussion

Keep the momentum going, thank you to those for working hard on initiatives.

VIII. Adjournment

Meeting was adjourned at 7:40 pm EST.
