

**Canvas Sessions for Parents and Community Members -  
SPREAD THE WORD!**

In preparation for the 2020-2021 school year, we are excited to continue using Canvas as our CMS Learning Management System for students in grades pre-K-12 to ensure a consistent experience for all CMS students and families.

In order to support CMS educators, a [Canvas guide](#) has been developed. The CMS Canvas guide is a place to gain access to Canvas information, on demand training videos along with resources for parents and students that are most relevant to our instructional needs for the 2020-2021 school year.

In order to support CMS families, we will host virtual Family nights with the goal of learning:

1. Why we are using Canvas and what to expect
2. How to access the Canvas APP and pair with student account
3. The functions that parents can utilize in Canvas
4. Tips for preparing students for remote learning
