

**SCHOOL HEALTH SERVICES
A Partnership for Serving Children**

Date: June, 2022

Dear Parent

North Carolina law requires all students entering the 12th after July 1, 2020 to receive the following immunization:

2nd Meningococcal Conjugate (MCV)

Call your child's health care provider or the Mecklenburg County Health Department for immunizations. For an appointment at the Health Department, call (704) 336-6500. Take your child's immunization record with you to the appointment. **You should bring proof of your child having received this immunization to the school as soon as possible and by the first day of the coming school year.**

If you have questions or need assistance, I can be reached at 980-343-6430.

Crystal James, RN
School Nurse
