

2019-2020 End-of-Year Announcement for FWCAA Parents:

We want to first of all thank you for your dedication and effort with “homeschooling” your child during our at home remote learning this school year. We have been impressed and so proud of the work you have done to ensure that your child continued learning.

Below are end-of-year announcements that you should know.

- 1) CMS will offer **summer virtual learning** for all families who are interested in allowing their child(ren) to participate. The summer learning program is OPTIONAL, yet it is encouraged. More information will be provided about summer learning by June 9th. Students who want to keep technology for summer learning are able to.
- 2) Starting next week, June 1-June 8th, we have created a **schedule for students to come to First Ward and pick up the belongings** that were in their desk, or cubbies.
- 3) When students come on their scheduled day, they will also be permitted to drop off the items below.

The items to drop off are:

- Media Center Books
 - Chromebooks (only if your child is leaving the district, or if the parent does not want the responsibility of keeping the technology over the summer)
- 4) Please know that all families –Parents and Students- **MUST REMAIN IN THE CAR** on their scheduled day. When arriving to the school, we will have staff members outside to assist and all cars will **follow our car pool line process** by entering through Brevard and exiting from Caldwell.

The scheduled dates and time for each grade and class is below.

Student Pick-up Schedule

Students are assigned times based on grade and teacher to come to campus for a drive through pick-up/drop-off in the car pool line. **Only items from their desk or cubby will be placed in bags.** Staff assisting on pick-up days will adhere to social distancing guidelines. Students and Parents will remain in their cars and no one is permitted inside the building.

See schedule below: Parents can pick up for multiple students on their 1st scheduled date.

5th Grade	C. Hannah	Monday 6/1//20	9:00 AM- 10:00 AM
