

## **2020-2021 School Year**

My name is Chavone Robinette, RN, BSN. This will be my 9<sup>th</sup> year as the school nurse at Francis Bradley Middle School.

I was born and raised here in Huntersville, NC and attended Long Creek Elementary, Alexander Middle School and North Mecklenburg High School. I am an Alumni of Presbyterian Hospital and UNC-Charlotte, although, I am a true NC State Fan. Go Wolfpack!

I have been a nurse for 19 years. My background includes: Mental health, correctional nursing, labor and delivery and public health.

My goal is maintaining open communication between parents, students and staff, therefore, making certain our students receive the resources necessary to stay healthy and ready to learn.

I look forward to another awesome year at Francis Bradley Middle School!
