### **Role of our Committee**

- Facilitates the development of the School Improvement Plan.
- Uses data as the driving force to create programmatic instructional change.
- Monitors, assesses, and amends the School Improvement Plan, as needed.
- Advances policies and procedures that enhance achievement and meet educational, safety and parent involvement goals.
- Facilitates communication within the Professional Learning Community.
- Builds the capacity of the school to address parent and staff concerns using needs assessment and other data

### School Improvement Plan and SMART Goals 2020-2021 School Year

- **Goal 1:** By the end of the 2020-2021 school year, Instructional Teams will have developed standards-aligned units of instruction for each subject and grade level.
- **Goal 2:** By the end of the 2020-2021 school year, the school will have implemented a tiered instructional system that allows teachers to deliver evidence-based instruction aligned with the individual needs of students across all tiers.
- **Goal 3:** By the end of the 2020-2021, school year, the school will have regularly communicated with parents/guardians about its expectations of them and the importance of the curriculum of the home (what parents can do at home to support their children's learning)
- **Goal 4:** All teachers will be attentive to students' emotional states, guide students in managing their emotions and arrange for support and interventions when necessary. This year each teacher will facilitate Social Emotional Learning Lessons each day using Caring Community of Schools.
- **Goal 5:** The principal will have monitored curriculum and classroom instruction regularly and provides timely, clear, constructive feedback to teachers.
