

Student access to Google Documents and all GAFE applications

- as of July 6 students will no longer have access to Gaggle
 - July 6 and after students will use the following format to access GAFE:
 - studentid@student.cms.k12.nc.us
 - where studentid is your child's student id used in most CMS communications
 - Password is: child's birthday (yyyymmdd) you may be required to change your password upon logging the first time. All documents will be transferred to this new account.
-

Compass Learning Log-in format

<http://www.thelearningodyssey.com>

Username: *first initial+lastname+last 4 digits of student ID*

Password: *Birthdate YYYYMMDD*

School: CMSD

Dreambox Log-in Format

Go to the HMMS website and click on HMMS Websites. Use the Dreambox link or <https://play.dreambox.com/login/dspq/highlandmm>) to go directly to the classroom list. You must use your child's 2014-15 class roster until Dreambox is updated in August. Students in grades less than 3rd have a picture to select for a password. All other students use their password they log into the computer at school with (yyymmdd) If you are unable to remember your password e-mail Whitney Byers (w.byers@cms.k12.nc.us)

RAZ Kids

Your child must know your teachers code to log into the site. Most of the codes are either the teacher's last name or first initial and lastname. If you cannot remember this information contact the website

SUMDOG

Each student was given a card with their log-in information on it. If you cannot remember your log-in e-mail Mr. Byers for your information.
