What We Are Learning

Reading:
• Review question stems in preparation for TRC
• End of Year TRC testing has begun.

Math:
• Describe shapes and their attributes
• Solve word problems involving measurement.

Science:
• Research animals and create a project using technology.

S. Studies:
• Learn about economics and the concept of supply and demand.

Greetings!

The success of your child is very important to us. Just a few reminders: please sign your child’s agenda each night to see notes, homework, or daily behavior updates. Also, please sign any necessary paperwork in the Thursday folders and return them on Friday. Thank you for your support in this matter! Again, we look forward to working with you this school year!

Upcoming Events

• 5/11/18 Field Trip to Reedy Creek Park
• 5/16/18 Teacher Workday
• 5/28/18 Memorial Day (No School)
