February News

What’s Happening This Month

Feb. 7 Early Release Day
Feb. 9 Report Cards go home
Feb. 9 Father/Daughter Dance

A Note From The 2nd Grade Teachers

The success of your scholar is very important to us. Scholars should read for at least 20 minutes each night and be able to answer and ask questions about what they read. Scholars should also practice their addition and subtraction facts daily to develop fluency. Thank you for your support! We continue to look forward to working with you throughout the school year!

A Peek At What We Are Learning

Reading
Poetry study, figurative language, and continue asking and answering questions about text.

Writing
Narrative text – Writing longer story by adding descriptive details and more details.

Math
Solve one and two step addition and subtraction word problems.

Science
Recognize tools scientist use to observe weather.

Social Studies
Explain how people positively and negatively affect the environment.
