Additional Spending - June Instructional Funds

- Gizmos - due for renewal over the summer.
- EC requests a class set of new calculators - approved to come out of instructional money.

Headgear

- Need to revisit in August; strong start w/ support from admin team.
- Involve student leaders; invest additional time in the issue; get creative w/ prevention
- Tap athletes, etc.

Other Issues

- Consider offering an alternative to the cafeteria when the Media Center is closed - revisit in August.
- SLT Members for next year: Summer planning day in August - instead of waiting until work days in August, the team can set goals for the year before the school year gets busy.
 - Set academic & non-academic priorities
 - Goals/ideas could then be presented at opening staff meetings.
 - If work days are communicated in time, we can set this August date at the closing staff meeting.

Year End Cookout

- Same day as closing staff meeting - closeout in the morning, cookout in the afternoon (June 10th)
