 - Interviews held this past Monday; included several members of the school, parents and district (as panel);
 - A person was identified as a good fit and we are waiting on the HR process, next steps include a recommendation within the district and then HR

Other: PTO request to pay for a workshop; school does not have the funds;

Discussion

DC- unsure because we need both

KW - similar to DC

Dyson - can not approve for everyone, so she will not approve since this was discussed as SLT;

JW - idea to implement fundraiser funds as a project for getting funds for PD

DC - start a fundraising committee for Metro-- table for January

KW - suggested to have plan for outside PD offerings next year

Decision: honor current decision for school not to fund outside PTO since we do not have a school budget; Team does not recommend PTO fund either. Being tabled for final future decision.
