Innovations Waiver-Day Supports Services

Day Support Services is a group or individual service that is offered under the Innovations Waiver. This service provides assistance to the participant with acquisition, retention, or improvement of self-help, socialization and adaptive skills.

Day Supports are furnished in a non-residential setting, separate from the home or facility where the participant resides.

Day Supports focuses on enabling the participant to attain or maintain his or her maximum functioning level and is coordinated with any physical, occupational, or speech therapies listed in the Individual Support Plan.

Transportation to and from the participant's home and travel within the community is included.

CAP-C & CAP-DA Day Support Services

This service also provides assistance to the participant with acquisition, retention, of improvement of self-help, socialization and adaptive skills. Day Supports are furnished in a non-residential setting, separate from the home or facility where the participant resides. Day Supports focuses on enabling the participant to attain or maintain his or her maximum functioning level.

Our CAP-C and CAP-DA participants are transported to and from the program via family members or Special Transportation Services.

Our Services

Residential Supports/AFL

Residential Support Services consist of an integrated array of individually designed training activities, assistance and supervision which include: Habilitation: aimed at assisting the participant to acquire, improve, and retain skills in self-help, general household management and meal preparation, personal finance management, socialization, and other adaptive areas. Focus is on allowing the participant to improve his or her ability to reside independently as possible in the community. Residential supports are provided to individuals who live in a community residential setting.
