

SUBJECT: Upcoming Student SEL Survey

Dear Montclair Elementary Families,

We thank you and your family for being our valued partners as we work together to educate the children in our school this year. We value input from our community and we need to hear from your child(ren)! They are important partners as we work to improve their overall experience and support their needs.

In order to learn more about student experiences, we will be asking for your child's feedback via an online survey. The survey shouldn't take more than 20-30 minutes to complete.

We are asking that all of our students participate in the surveys, as their feedback will provide invaluable insights into their experiences and how to improve and adapt our school to their needs. If a student doesn't feel like they have enough information to answer a question, they will be able to skip the item altogether.

The survey content will ask students to self reflect on their own social emotional learning skills, like self-management and self-efficacy. Please notify us if you would like your child to opt out of taking the surveys by responding to this email with your child's name.

We thank you in advance for your support. If you have any questions about the survey administration, please don't hesitate to contact us at 980-343-3635.

Sincerely,

Leora Itzhaki, Principal
