Dear Parent/Guardian:

I hope the school year has started successfully for all of you. As a parent/guardian of a student in Montclaire Elementary School, I am writing this letter to let you know that Montclaire Elementary School has been designated as a Targeted Support & Improvement Additional Targeted Support (TSI-AT) school by the North Carolina State Board of Education. As stated in ESSA Section 1111(d)(2), North Carolina had to identify schools for targeted support and improvement. TSI-AT schools in North Carolina are those that have a subgroup that is under-performing. The intent of this opportunity is to improve educational outcomes for all students, close achievement gaps, increase equity, and improve the quality of instruction. As a TSI-AT school, Montclaire Elementary School is required to develop a comprehensive plan that specifically addresses how the school will improve student achievement. The plan will also include how our district will support us and monitor the progress of our school. The comprehensive plan will address the following areas:

- Classroom Management
- Standards-aligned Instruction
- Professional Learning Communities (PLCs)
- Instructional Leadership
- Recruitment & Retention of Effective Teachers
- Support for Grade-to-Grade Transitions
- Implementation of a Tiered Instructional System
- Data-Driven Decision Making
- Student Support Services
- Family and Community Engagement

We have set the following goals for Montclaire Elementary School this year:

- ELA proficiency will increase grades 3-5 will exceed growth, based on EOG Reading Composite using data from EOGs, MAP (A 401)
- ELA proficiency will increase K-2 (CCR), and exceed growth based on MAP, and cycle assessments. (A 401)
- Math proficiency in grades 3-5 exceed growth, based on EOG Math Composite using data from MAP and EOG's.. (A 401)

Our students need to experience higher achievement levels, but it will require hard work on the part of staff, students and families. Here are some strategies Montclair Elementary School will be implementing:

- Improved small group instruction
- Phonics Instruction with Skills Block (EL Curriculum)
- New Literacy (EL) curriculum aligned to state standards
- Character Education program (growth celebrations)
- Personalized Learning (emphasis on goal setting, whole child, personalized pathways to learning, growth mindset)
- Emphasis on learning strengths and growth areas via strategic use of data
- Building relationships with students to support their social-emotional needs
- Dedicated time for class meetings and the Caring Schools Curriculum

Parent engagement is at the heart of our school improvement efforts. Here are some ways we can work together:
