

## Computer Use Agreement Form

\* Required

### Purpose

Students will be provided with a school-owned computer and charging cord for the sole purpose of completing school-related assignments. Internet access is provided for free on any CMS campus or at any Charlotte Mecklenburg Library.

### Student and Parent Responsibilities

#### Please Acknowledge All Student and Parent Responsibilities \*

Students must use the computer responsibly by only visiting school appropriate websites. Please note filtering is applied on and off the CMS Network.

Repeated negative care for your Chromebook could result in having your take-home privilege revoked.

Parents are responsible for immediately notifying a school administrator if the computer is stolen while away from school so that the school resource officer can file a police report.

Student and parents understand that only a CMS issued Gmail account can be used to access the Chromebook.

The CMS issued Chromebook and charging cord will be returned prior to the end of the current school year or upon withdrawing or withdrawal from the school.

Repeated violations of CMS issued Chromebooks could result in loss of take home privilege.

This includes but is not limited to: failure to bring the Chromebook to school, repeated destruction or repeated loss of Chromebook, as well as inappropriate technology usage.

Just as with CMS issued textbooks, students are asked to treat computers with care including: \*

Never leaving the computer in extreme temperatures.

Never allowing food or drink to be consumed near the computer.

Never attempting to repair a computer without consulting authorized school personnel.

Never downloading unauthorized software onto the computer.

### School Responsibilities

#### Please Acknowledge All School Responsibilities \*

Teachers will ensure that students understand how to properly care for their device.

Teachers will inform students about acceptable use policies.

The district will periodically and without warning monitor the historical activity on the computer.
