

Summer 2019

Dear parents,

Hello to our new families and welcome back to returning children and parents! Heather and I hope that you have enjoyed a fun and relaxing summer.

A few years ago, I discovered it was easier for me to order the children's school supplies than to have parents searching all over town for quadrille notebooks and other obscure products that I special order from a Waldorf supply company. With this system, all of the children have supplies and are ready to go on the first day of school. The total cost of the schools supplies is \$50.00, **including the daily diary.**

Here's the link to the webpage where you can pay for the supplies: \$50, plus \$1.75 Paypal fee. You may use a Paypal account, or a regular credit card via Paypal.

We have a closed Facebook group page used to post frequent updates. If so inclined, please search Ms Anna's Class, request to join and answer the screening questions.

We look forward to seeing you at the open house. In the meantime, please email if you have any questions.

All the best for the rest of the summer vacation,

Anna
