

Welcome Back to School 2019-20
Community 24
Cynthia Stone

“The child is both a hope and a promise for mankind.” – Dr. Maria Montessori

It's hard to believe, but here we are – getting ready to start a new year in Community 24! It is my pleasure to greet all of our returning families and to welcome new members to our community. I hope you've all enjoyed a fun, safe summer with family and friends and are ready to begin an exciting new school year. I'm looking forward to another year of partnering with you, helping our children reach their potential!

Attached please find the supply list for the coming year. I've been thinking about ways to help you save money as well as limit the need to store items in the classroom. If you'll note, returning students will not be asked to buy new composition books until they have exhausted their current books. If you wish, you can refer to their report card from last year to see what composition books they will need, or you can wait and they can be bought at the PRM school store. I've also limited the amount of community supplies to avoid over-stocking, and as items are depleted, a request will be made for a specific donation.

The class weebly page is <http://community24.weebly.com/>. The weebly is used to share information about classroom activities as well as provide details about schedules and various sign ups that are used to manage our community throughout the school year. The weebly will be updated to include information about our fall class social as well as volunteer opportunities. My contact information is cynthia.stone@cms.k12.nc.us.

I look forward to greeting you personally at the Open House!

Community 24 (2017-18) Supplies

All students:

Earbuds or headset for computer use

Child sized garden gloves, each labeled with your child's name

Worsted weight yarn

1st years

1 Primary ruled composition book

Sketch book (8" x 12" size works best)

8 black marble wide-ruled composition books

Size 6.5 mm crochet hook

NOTE: Please get plain, (not decorated) wide-ruled composition books. No need to label the composition books as I will do so with stickers.

Community Supplies

Disinfecting Wipes (double pack)

Child Scissors

Quart size plastic storage bags

4-pack glue sticks

2nd years

We will continue using composition books and sketch books from last year. You will be asked to replace an item as your child completes specific books.

Community Supplies

Paper towels

Child Scissors

Lunch napkins

100 sheet wide ruled package of notebook paper

5 oz paper cups

3rd years

We will continue using composition books and sketch books from last year. You will be asked to supplement an item as your child completes specific books. Additionally, 3rd years will need a 1" soft sided binder.

Community Supplies

Band-aids

Child Scissors

Gallon size plastic storage bags

Glue Stick
