

Summer 2014

Dear Parents and Students,

Welcome to another year. This year Barbara will be the lead teacher of the Lower El. An assistant has not yet been assigned, but will be warmly welcomed. Michelle and I are so excited to extend to the sixth grade this year. We have been working hard this summer getting ready. We have moved the Upper El portion of the class to the trailer and the Lower El portion to room 27. We are ready for another good year.

We have again been asked to send out a letter with the supplies the students will need when school begins.

Please put all receipts in the bags you send in - that way we can exchange items we don't need for those we do. Please do not put names on anything - including notebooks.- well except coats.

Lower El needs:

- 5 composition notebooks for language, SRA, grammar, research and cursive (please no wire notebooks). Second graders need a 1 1/2 " notebook for Latin – any returning students who did not leave theirs, need one as well.
- 1 quadrille notebook for math: 5 squares to an inch – the ones that have 4 squares on one side and 5 on the other are fine.
- Every student should bring 1 package of composition paper, some pink erasers and 24 Ticonderoga pencils.

We would like one parent to help us with each of the following once a month:

- 1 hand soap – we prefer no antibacterial products
- 1 dish washing liquid for the sink - small
- 5 sponges per month
- cleanser for the tables – can be wipes
- 15 gallon bags for the trash basket - the school ones do not hold the lunch trash when we eat in the room
- dust rags for the shelves.

We will give the first Great Lesson on the first day of school, so if for any reason your child will not be present, please call the office to let me know.

I think that about covers the essentials. See you soon!

Barbara & Michelle
