

Ms. Priti's School Supply List

- Slipper for classroom wear. Slippers need to be PLAIN, lace free without any characters or fur. It is important that they have a back on them and are a tight fit, so that your child's foot does not slip out. Remember that they do give with wear and tear. Make sure they are skid free. (The girls are comfortable in ballet slippers.) I will have a sample of the slippers in the office for you to see if you have any questions.
- Backpack large enough to hold a towel, 11x13 folder, and library books. (Note: Rolling book bags are not allowed at Park Road Montessori.)
- Bath sized towels for rest time (Please do not send in huge beach towels, do keep your child's height in mind, also write your child's name on it.)
- A change of clothes (shirt, pants, underwear and socks) in a Ziploc bag labeled with your child's name.
