

Approval of School Improvement Plan Adjustments for 2nd 90 Days

During the February/March SLT Meeting, schools will share the progress and impact of Action Steps taken during the first 90 Days on their Desired Outcomes for Priorities or Ideal State for Indicators in NCStar. Based on the progress, adjustments for the second 90 Days should be shared and an opportunity to discuss feedback from SLT members provided. Once adjustments have been approved, SLT members will sign below to indicate their approval of the updated plan. Schools will keep this signature page for their records.
