We recommend that you communicate with your teachers and counselor when selecting courses for the 2020-2021 school year. Consider courses that will provide a challenging and successful educational experience. **Students who receive the course(s) for which they request may not be allowed to request a schedule change.** There are very few reasons a course may be changed once the schedule is set.

By the signatures below, we have carefully considered the above course selections and understand that all courses we have chosen constitute a year commitment.
