TRANSPORTATION INFORMATION

SCHEDULE

NOTES

PERIOD:

There are 5 periods or blocks of the day. Some classes are daily, indicated by (A-B). Some classes are A day only or B day only.

TERM:

All core classes (Math, LA, Science, and SS) are year-long and the term is 15-16. Elective classes are semester or year-long. Semester classes have S1 or S2.

*PE and Health classes are semester long, but are split into 2 quarters.

Q1, Q2 = S1 or Q3, Q4 = S2

COURSE:

Each class has a unique course number. Course numbers are used for scheduling purposes.

SEC:

Section numbers are used for scheduling purposes.

COURSE NAME:

The course name states the title of the class.

TEACHER:

The teacher who teaches the course is listed on the schedule.

ROOM:

The room number indicates the location of the class.
