

Ridge Road Middle School Registration for the Academic Year 2017-2018

Directions for parents and students completing the registration card:

- 1. Complete all of the required information on the top portion of the card. Please include phone numbers and emails in case we need to contact you in the summer.**
2. All students will take Language Arts, Math, Science, Social Studies and a semester of Health/PE. Students will be placed into Honors Math and Honors Language Arts based on their North Carolina End of Grade Scores, MAP scores, and other qualifying criteria set by the district.

Please note, EC (Exceptional Children Program) placements require previous assessment and an IEP (Individual Education Plan).

3. Electives are listed on the registration card and described in the Middle School Course Offerings Guide located on the Ridge Road Middle School website. Students will be registered for either 3 semester electives or 1 year elective (ie. Band, Avid, Orchestra) and 1 semester elective. Due to limitations on class size, the number of classes offered in a specific elective, and/or the demand for the course, students may not receive their top elective choices. **Choose 3 elective courses by placing an "X" next to the desired courses. Select at least 2 alternate courses by marking an "A" next to the desired courses.** Students will be notified if additional elective options are offered.
4. A form for Band, Orchestra, and AVID is needed in order to register for these courses. The forms are also located on the Ridge Road Middle School website. Once completed, please attach the form to the registration card.
5. Please note filling out the registration card does not guarantee academic promotion to the next grade level.

Registration Cards are due by April 21st

The cards **MUST** have a parent signature and any additional forms. Please submit cards to your child's homeroom teacher.

Students who turn in an incomplete or late registration card will have their elective courses selected by the computer, based on availability.
