

MEMORANDUM

TO: Elementary & K-8 Principals

THRU: Brian Kingsley, Chief Academic Officer
Beth Thompson, Assistant Superintendent of Academics
Charlotte “Nadja” Trez, Executive Director, Learning & Language Acquisition

FROM: Pa Thao, Director, Elementary Education, pa.thao@cms.k12.nc.us

DATE: May 19, 2021

SUBJECT: Summer Resources for Families

ACTION: Share with instructional leaders and teachers

The [Elementary Summer Packets](#) include 20 days of literacy, math, science and social studies activities to prepare students for the upcoming school year. For example, kindergarten students will engage in activities aligned to first grade concepts or skills. These are *optional* resources to share with families. Schools may post these resources on their school website or print them in-house to send home with students.
