

# New Common Core Resource

Charlotte-Mecklenburg Schools has developed a new resource to provide parents, students, and community members with quick access to reliable information on the Common Core State Standards (CCSS). The standards are designed to help ensure that students graduate from high school fully prepared to be successful in college or in the workplace. We know the new Common Core State Standards initiative may not be easy to understand, so the site includes tools and resources such as:

- **Videos**—explaining what Common Core is all about
- **Parent Roadmaps**—with useful tips for parents
- **Answers to frequently asked questions**
- **Myths vs. Facts about Common Core**

To access the site, simply go to [www.cms.k12.nc.us/parents/commoncore](http://www.cms.k12.nc.us/parents/commoncore) or visit the CMS homepage [www.cms.k12.nc.us](http://www.cms.k12.nc.us) and click on this button:
