

Kennedy Middle School STEM Magnet Information

Kennedy Middle School, a CMS school, is excited for our 3rd year of hosting a partial STEM Magnet option for South Charlotte families that reside in the Blue Transportation zone (<http://bit.ly/1GJavKx>).

The partial STEM magnet option is open to rising 6th, 7th and 8th grade students for the 2017-2018 school year.

You are invited to attend any of the information sessions listed to the right.. Kennedy Middle School staff will discuss specifics of the STEM program.

What is STEM? STEM is an acronym for Science, Technology, Engineering and Mathematics. The STEM field is focused on life sciences, physical sciences, mathematics, statistics, computing, engineering and technology.

What does STEM look like at Kennedy? The STEM program at Kennedy follows a middle school philosophy of education— expose students to a wide range of STEM topics, courses and curriculum so they can make informed decisions about high school, college and beyond.
