

Good Evening South Meck Students, Families, and Staff,

This is Principal Starnes with your weekly updates so please listen carefully.

Scholarship season has begun! While there are many scholarship opportunities that will be available throughout the school year, the first and quickest deadline approaching is the Morehead-Cain Scholarship at the University of North Carolina at Chapel Hill. As you might know, this is a long-established scholarship which provides a fully funded, four-year education experience for recipients. In addition to being competitive for admission to UNC-Chapel Hill, the Morehead-Cain's focus is on demonstrated performance in Leadership, Character, Scholarship and Physical Vigor. South Meck is able to nominate 5 students and the application to be considered for this nomination is in the Naviance Program under Scholarships. The application is open from August 31- September 7. Please know that if a student is interested and not one of the South Meck's nominees there is an option for Self-Nomination. All of this information can be found on the Morehead-Cain website. For questions, please ask Ms. Colleen Santos or Ms. Kim Preacher, both South Meck School Counselors.

WITH PURPOSE. WITH PROMISE.
