

## Family and Community Engagement Charlotte Mecklenburg Schools

**FOR IMMEDIATE RELEASE**

March 15, 2021

### **CMS Resource ONE Stop returns March 20 to connect families with valuable resources**

With the continued effort to collectively support families and the greater community, the Title I Family Engagement and Community Outreach team of Charlotte-Mecklenburg Schools (CMS), with the support of key outreach CMS departments and the strategic leadership of its connected community partner, The Mount Charlotte, will offer a **Spring Family Resource ONE Stop on Saturday, March 20, from 11 a.m.-2 p.m. at The Mount Charlotte, 1520 Alleghany St., Charlotte N.C. 28208.**

Resource ONE Stops began in May 2020 as a strategic response by family and community engagement leaders in CMS to support families with remote learning needs, health and wellness concerns, and to connect them to community resources to improve social mobility, learning and development, and other health and human service needs.

Please share the **Spring Resource ONE Stop** information with your networks, schools and community organizations. This event is open to all CMS students and families, thanks to the generosity of our connected community partner, **The Mount Charlotte**. The ONE Stop will feature various CMS departments, the Department of Health and Human Services, the Novant Community Cruiser, Vision to Learn, the Ausie and Martin Rivens Scholarship Fund, Charlotte Works, Classroom Central and Loaves & Fishes Pop-Up Food Share, along with many others.

This ONE Stop will provide as many families as possible with opportunities to learn more about summer learning, navigating CMS, health and wellness options, possible job opportunities and enrichment activities for their students. CMS staff also will be available to provide information and guidance to students and families who may have lost their connection to school due to unforeseen circumstances or have grade and attendance issues or concerns.

The GOAL is to connect our school communities to the resources they need to THRIVE! View the flyers to share [here](#).

For media inquiries, please contact Dr. Fahnie S. Shaw, CMS director of engagement and outreach, at 980-207-8089 or [fahnie.shaw@cms.k12.nc.us](mailto:fahnie.shaw@cms.k12.nc.us); or Pastor Michael Roberts of The Mount Charlotte at [michaelroberts@themountleads.org](mailto:michaelroberts@themountleads.org). Engagement takes ALL of US!
